**DEMOGRAPHICS**

**Read:** Next, we are going to talk about your household. If you need other members of your household to help you answer these questions, that is fine. Now I would like to find out about all of the individuals in your household. By household, I mean the place where you and your family usually sleep, not necessarily your ancestral lands or family home. By the individuals in the household, I mean those who “eat from the same pot.”

1. How many adults (individuals aged 18 or older) live in this household? Please include all adults who typically live in this household, even if they did not sleep here last night.  
   - [___] adults

2. How many children (individuals aged 0-17) live in this household? Please include all children who typically live in this household, even if they did not sleep here last night.
